# MEET THE 2023 BOARD OF TRUSTEES

BY JILL COX, R.N.

Paisley House has been in a sort of renaissance lately. We've been opening our doors to new residents, new employees, and now, a new Board of Trustees for 2023. Paisley House has always relied on its Board of Trustees to further the development of our nonprofit which allows our residents to enjoy new opportunities and the very best service. Thanks to the help of our board, last year we were able to install new fire escapes, new fire doors on the second and third floors, a new gate to the courtyard, and new sprinkler heads.

This coming year, the board is looking to update the pavilion, including a new awning and furnishings for the ladies to enjoy in summer, renovating the hallways, and remodeling the living room. Outside of the big projects on the horizon, our board is looking forward to meeting with their resident pals in person. Due to COVID-19, board members and residents have not been meeting in person with residents for over a year, but the staff and residents alike are thrilled to see the board members' faces in the hallways once again.

## LIVE CREATIVELY

In October, residents of the Paisley House got into the Halloween spirit by creating plush pumpkins! Our new activities assistant Jacob is pictured below assisting residents with their decorative creations. For anyone looking to recreate this DIY, all you need is toilet paper, thick yarn, and pipe cleaners!

## LIVE HEALTHY

Pictured below are our residents eating the delicious Harvest Meal our dietary team prepared in October. We had sweet potatoes, stuffing, salad, and topped it off with a mini pumpkin ice cream pie prepared by our Activities Director. This meal was a hit with the ladies and it was a great way to kick off the fall season.

## LIVE JOYFULLY

In September, Paisley House residents enjoyed a visit from Clyde, the dog. Clyde is a ladies man through and through and loved on all our ladies in the courtyard. Clyde is a Great Dane and Great Danes can stand nearly three feet tall when fully grown!

## LIVE SUPPORTED

Pictured below is Laura, one of our aides that has been with Paisley House for 11 years! Laura is beloved by our residents because she is always going above and beyond when taking care of everyone who lives in Paisley House. Laura always has a smile and something nice to say to everyone!
